About Us

Whether you are looking for a DJ to mix all of today's music and a MC to get the crowd going, we are the people to come to. Music in Live Productions' DJs come from varied backgrounds and have a wealth of experience in entertaining crowds. They know how to get the party started and keep it going. Our live musicians have a plethora of musical talent and years of training in their respective instruments. In fact, many of our musicians play multiple instruments, have advanced degrees in music and have played with Grammy Award-Winning musicians.

Our distinct blend of musical talent, entertainment knowledge and professionalism make Music in Live Productions the company to hire if you are looking to hire the best entertainment around! Every event is special. Therefore, we work closely with our clients, to the maximum extent possible, to ensure that each event is tailored to accommodate our clients' vision of their "dream" party. We utilize only the best equipment and talent in the business to make sure every event is unique and unforgettable.
